

Hello! I'm Grace, a 22-year-old graphic design student driven by a deep passion for creativity and continuous learning.

I find joy in transforming ideas into visually captivating works of art. Whether it's crafting logos, designing posters, or creating immersive digital experiences, I am dedicated to the art of visual storytelling. With a strong desire to explore diverse artistic disciplines, I draw inspiration from photography and mixed media artwork.

Thanks for taking time to view my portfolio if you have any questions or suggestions feel free to contact me.

Biancing I

Create and develop a brand identity for my feng shui architectural design client, Harmony. In order to do this I had to gain an absolute understanding of what my client does and delve into ancient Chinese practices to ensure my design is accurate.

Brand Partnership

Explore and develop the current brand of Herbal Essences and form a brand partnership with another orginasation, charity or movement based on an appropriate connection or shared commonality with Herbal Esscences.

Type & Image

Consider the creation of design layouts using research gathered about the font, Helvetica, and it's history, details, personality and usage of the typeface.

Industry Brief

In the fictional situation that England has a revolution and the North votes to split from the South, to form a new independent country the task of this project is to brand the North country.

Branding 2

Create and develop a brand identity for a company using understand on what the client does. Then creatively position it, give it personality, and then create a distinctive and unique identity.
